

Making Mortgages **Better.**<sup>™</sup>

# Employment Opportunities for Recent College Graduates

radius financial group inc. is a leading, independent mortgage banker headquartered in Norwell, MA, with eight offices throughout MA and NH. We're currently seeking a class of 12 to 15 new hires to enter our intensive 10-week mortgage banking training program, which will culminate with employment offers for selected candidates in either our Operations and/or Sales Support group.

This training program will provide entry-level candidates with a thorough, extensive immersion into the business of retail mortgage banking and the secondary mortgage markets. Trainees will learn the various disciplines required to support the residential mortgage loan life cycle, including: origination, loan analysis, secondary market, compliance/regulatory, marketing and the various mortgage technologies used by the banking industry.

To succeed in our fast-paced, deadline-driven environment, candidates should possess:

- excellent analytical and problem-solving skills
- a solid math aptitude (accounting/math/science majors a plus)
- clear and concise verbal and written communication skills (bilingual a plus)
- strong organizational skills and attention to detail
- flexibility and independent thinking

For those hired at the end of the training program, positions offer a base salary plus bonus compensation package, along with comprehensive health and dental benefits, matching 401(k) program and disability/life insurance coverage. Training salaries are paid during participation in the training program.

Among a host of recent business and industry recognitions and honors, radius has been ranked by *Inc. Magazine* as one of America's fastest growing private companies for the past four years, and was ranked #16 by *American Express Open* as one of the Fastest Growing Women-Owned/Led Business in North America. The company has also been a multi-year winner of the *Boston Business Journal's* "Best Places to Work".

The selected recruits will join more than 85 radius associates in providing responsible access to homeownership, consistently working toward our corporate goal of Making Mortgages **Better.**<sup>™</sup>

Qualified candidates should submit their resumes to [hr@radiusgrp.com](mailto:hr@radiusgrp.com). No phone calls please.
